

Valley Vista

POLL DORSET STUD

2020 OPEN DAY | Coolac, NSW | 10AM to 5PM

Friday 18 September

ANNUAL SALE FRIDAY OCTOBER 2

GUEST SPEAKERS FROM 2PM

Tom Graham from Coolac Vet Services

- Tom will touch on current livestock health issues and the impact of a good season, including reflections on lambing. He will also discuss structural sire assessment, and the importance of yearly fertility and brucellosis checks for commercial producers.

Jim Meckliff from JM Livestock

- Jim is looking forward to introducing ASBVs and Index's, tools and resources available to aid your selections and what to look for in a ram team to meet your breeding objectives.

Elise Bowen from Sheep Data Management

- Elise will discuss Valley Vista's genetic progress using Lambplan ASBVs, introducing the key sires used for the 2019-20 drops as well as the extended catalogue data available to assist producers' purchases at the upcoming sale.
